**Aug, 2020-  
Aug, 2021**

## **INSTRUCTIONAL DESIGNER/LEARNING CONSULTANT**

*Multis College*

- Successfully designed and developed a Professional Development Course responsible for teaching over 400 CSU faculty members how to effectively teach online courses in higher education using Behavioral Learning Theories and Pedagogical Strategies for Online Instruction.
- Designed an online training workshop on the subject of Diversity, Equity, and Inclusion through Community Relationship Building and Bias Free Policing Tactical Strategies for Law Enforcement Officers.
- Evaluated the effectiveness of the courses designed using Kirkpatrick's 4 Levels of Evaluation.
- Consulted with industry leaders and subject matter experts throughout the development and design process to produce highly interactive courses utilizing interactive media, interactive knowledge checks, and activities that utilize collaborative digital tools.

**Feb, 2020-  
Aug, 2020**

## **LEARNING CONSULTANT**

*Foundation for California Community Colleges*

- Developed online student success training modules for the Success Skills Reference Library, utilized to promote core skills development.
- Collaborated with other Colleges and Universities to develop best practices for online instruction, student support services, retention, engagement, and developed a Competency Based Education Pacing Model/Structure for students to successfully reach completion.
- Assessed instructional design and development learning opportunities utilizing the ADDIE Model and provided instructional workshops for online faculty.
- Authored various training manuals for Academic Advisors and Success Coaches which outlined best practices and procedures in working with adult learners in a distance education learning environment through a Competency Based Education Curriculum Design Model.

**Aug 2017-  
Present**

## **CULTURALLY RESPONSIVE TEACHING-CURRICULUM & PROGRAM DEVELOPMENT**

*Cerro Coso College-(Umoja Program)*

- Incorporate current events and popular culture into the curriculum to provide an opportunity for students to connect with topics relevant to their everyday life and create an engaging student experience.
- Co-Coordinate the Umoja Program at Cerro Coso Community College. The Umoja Program is a community and resource dedicated to enhancing the cultural and educational experiences of African American and other students.
- The Umoja Program was started at Cerro Coso in the fall of 2017. After the first semester the retention rate of students participating in the program was at 97% which was 10% higher than the general population of students.
- The Umoja Program continues to play a critical role for students that participate as the program continues to provide students with a nurtured environment.
- Participating faculty are intentional and deliberate through their interactions with students, and provide support to our Umoja Students in the classroom and on campus.
